1. Jurisdiction of the officials will begin in accordance with Federation Rules. The referee is responsible for conducting a **PRE-MATCH CONFERENCE**. Please follow CIF Federation procedures regarding all rules. Officials shall notify the home management/coach upon their arrival at the site. In the event of a delay, the responsibility for contacting the home school lies with the individual official.
2. **TOURNAMENTS:** Tournament Head Officials introduce yourself to the tournament director. Inform director of the number of officials and when officials can be cut according to the contract. Conduct appropriate groom/skin checks with help from assigned officials - use CIF Guidelines. Make note of tournament end time, number of hours/duals for each official - share with director. Mitigate any difficult situations that may occur during the tournament and note on report regarding late officials, inappropriate behavior by officials, wrestlers, coaches, etc. DQ's are to be reported to Larry Fletcher by the official who administered the DQ. Note on game report whether tournament is varsity or junior varsity, dual or individual.

If any injury occurs to an official during a contest, the official must provide a doctor's letter stating they may return to officiating high school athletics prior to any new assignment.
