

Wisdom of a Wednesday (on a Wednesday!) November 18, 2020

I hope this WOW finds you all and your loved ones healthy. To continue from the previous two week's announcements, we would like to introduce you to our final guest speakers who will share their wisdom and insights with us at NCAA Referee School:

Dr. Omar Amr -former NCAA All-American and Scholar athlete, collegiate coach, Olympian and current emergency room physician

Tom Hermstad - former NCAA Championship referee, Olympic Referee, collegiate coach and Hall of Famer

Dr. Amr will help us understand some "best practices" when it comes to returning to the deck and keeping ourselves, as well as the athletes, coaches and staff as safe as possible in the COVID-19 Officiating segment.

Tom Hermstad will be sharing his experiences that helped shape him as a referee throughout his distinguished career and what it meant to him to be an NCAA referee in the History and Legacy section.

This entire crew of guest speakers leaves me humbled and honored. Please make every effort to attend NCAA Referee School in 2020 and share in their knowledge and wisdom.
