The minutes of the December 4, 2005 Annual Meeting were approved as distributed.

The report on the association treasury was presented. After discussion it was moved by John Crispino and seconded by Jon Shelton to approve the report as submitted. Motion carried.

Bob McDonald gave a report on the Lowell Wrigley Memorial Golf Tournament held earlier that day. There were sixty seven golfers who participated. A good time was had by all participants. The date for 2007 has been set for August 10, 2007.

Bill Henderly reported on the Kickoff Banquet. There were seventy eight reservations for the dinner. This included eight guests. To keep costs down Bill Henderly is going to look for a new location where a quality meal can be found at a lower cost. The date for the banquet for 2007 will be August 10, 2007.

Larry Glass will be holding the 2006 rules meeting to discuss the rule changes for the upcoming season on Saturday, August 12, 2006. The site for the meeting will be Otterbein College and it will be held in conjunction with the Ohio Athletic Conference football staff meeting.

The spring clinic for members and guests will be held the weekend of April 20 & 21, 2007. The clinic will be held in the Northeast District and the Southwest District will be responsible for the clinic agenda and instructors. The Central District will be responsible for the 2008 clinic.

It was moved by Jon Shelton and seconded by Frank Bullock to extend appreciation and thanks to the following officiating supervisors for using members of the Ohio Association of Football Officials:

Andy Pfaff – North Coast Athletic Conference and Intercollegiate Officiating Association
Larry Glass – Ohio Athletic Conference
Larry Snyder – Heartland Athletic Conference
Ed Tschannen – Gateway Football Conference
Phil Barnes – Great Lakes Intercollegiate Athletic Conference
Carl Paganelli – Mid American Conference
Dave Parry – Big Ten Conference

No information on Irish Krieger Scholarship recipients was available for this Annual Meeting due to the change in dates for the Annual Meeting. Life Member Gordon Schutt offered to donate \$500.00 towards the Irish Krieger Scholarship if the association would match the donation. It was moved by Frank Bullock and seconded by Bob McDonald to accept the very generous offer of Gordon Schutt and to authorize the association to issue a check to Ohio University Development Fund for \$1,000.00. Motion carried.

Unfinished Business

The website for the association needs to be moved forward to become interactive. The site developed by Ron Whaley and Bob Stinson gives a very good foundation for the establishment of an interactive site. With the change the membership will be able to make changes to their personal information as well as download applications and documents that pertain to the association.

Bob Stinson and Phil Kiser will work with a local website developer to seek information on the development of the new website. An estimate of the cost to develop the new site is between \$1,500.00 and \$1,800.00. The goal will be to have the new site operational before the spring clinic in April.

New Business

Bob Nelson sent a letter to the membership to be read at the Annual Meeting. Bob Nelson would like to have the name of the Lowell Wrigley Memorial Golf Tournament be changed to the OAFO Memorial Golf Tournament. By changing the name it would honor all of the past members of the association who have passed away. After discussion there was no support for making the name change.

Jack McLain expressed gladness for being able to attend this Annual Meeting.

Don Baur suggested that when the Spring Clinic is held in 2007 that the members of the Ohio Association of Football Officials be given a break in the price of the clinic.

Bob McDonald reported that some members have expressed a desire to have game bags similar to the ones given out in 2004. Cost of the bags would be between \$25.00 and \$40.00. The cost of the bag could be added to the price of those participating in the golf tournament. Additional bags could be sold to members of the association who do not participate in the golf tournament.

Jim Mahan suggested that new members who test in the fall be admitted into the association on a provisional status until the next Annual Meeting. The Executive Committee could be made aware of those new members and grant the provisional status to those new members until the membership takes action at the Annual Meeting.

With no further business to come before the association the meeting was adjourned at 6:17 p.m.

Respectfully submitted,

Phil Kiser, Secretary
