Mile High Umpire Clinic

Monday, April 24, 2017

Umpires,

We hope this email finds you well. We wanted to reach out to you and let you know that early bird registration for the 30th Mile High Advanced Umpire Clinic is now just 1 WEEK away. This year there is a lot of excitement as the MHAUC is partnering with the Colorado Sports Officials Association to put on this clinic. CSOA has the best umpire trainers in the state. You will get top notch instruction and feedback as you get not only repetition, but also experience. Not only will you get classroom and situation experience, you will get live game experience as well. Nothing can replace live game experience. The clinic is June 1st-4th.

Included in this email is a flyer and application. Please fill out the application and get it back to Mark Moffett. This year CHSBUA has decided to make a push to focus on continuing education. With that being said, they are offering scholarships to anyone who fills out an application and submits it properly. What does that mean to you? As a high school registered umpire, in good standing, you can come to the clinic with no out of pocket cost!! That's exciting. Being able to come to the longest running clinic west of the Mississippi for FREE no way. You do have to do a little work on your end though. Here's how. Go to <http://www.chsbua.com/trainingclinicsmeetings.html> and fill out the form, once you are done turn it in to your area director. They will send it in for approval. Once that happens and it get approved you are scholar shipped for \$175.00!! If you register before May 1st your tuition fee is \$175.00 that means you get to come for no tuition!! That's a great deal. After May 1st the tuition goes up to \$200.00. The best training by some if the most experienced and dedicated umpires in the state is a no brainer.

So, to recap. Longest running clinic, no tuition, getting better assignments, and making yourself better. How could you pass this up? If you have questions please feel free to reach out to Mark Moffett at markmoff12@hotmail.com. Please DON'T email Monica with questions.

Thank you so much for your time. Let us know if we can help you accomplish you umpire goals.
