This years clinic will be a one-day event on June 29th that will be jam packed with excellent content and well known presenters. Stay tuned to the OAFO.ORG website for information as it is released on clinicians.

Also, this year we will follow the clinic with the annual OAFO Membership dinner banquet. This banquet will have a guest speaker (past speakers such as Earl Bruce, Bill Carollo, Jerry Markbreit, and others) and will have awards and recognition of our members and their post season

assignments. You don't want to miss this event.

Non-OAFO members will be able to attend the banquet at the member rate to come see what the association is all about.
